## A MESSAGE FROM THE AQUATIC DIRECTOR

Parents and swimmers please be aware that there is **ABOSLUTELY NO FOOD ALLOWED ON DECK** in any form at practices or swim meets. Even a small scrap of food brings about a HUGE ant infestation and we have to call an exterminator each time. After Saturday's meet there were food wrappers as well as chips and cracker pieces left all over the deck. The opening guard found ants crawling all over the small pool area. If eating OFF DECK for meets is not enforced we will no longer be able to have the bake sale during meets. Anyone, swimmer, volunteer or spectator **MUST** eat in the lobby. **THERE ARE NO EXCEPTIONS.** Thank you for your help in this matter.

Amy Vendt, Aquatic Director

## A MESSAGE FROM PAC PRESIDENT MIKE GEARAN

Dear BYB Parents,

Thank you for your enthusiasm and "all hands on deck" attitude in making Saturday's meet a success! Although the computer may have beat us this time, it was encouraging to see many parents (some new to the sport of swimming) involved in volunteer positions, ready to help with smiles on their faces. Once again it was the swimmers who benefited from your positive attitude. And our swimmers shined!

We look forward to your continued involvement during the season.

Go BYB!

## FOUND AT SATURDAY'S MEET AT BURBANK

At the end of the meet yesterday, a child's sport watch (Armitron brand, black) was found. It had been on deck and is still damp! I am assuming it is a child's watch, could be a ladies version, I suppose. Please see Kate Gearan if this is your watch.

**Swim suits** - Please contact Charlene DeRoche if you would like to purchase a team suit size F26 or G12  
And Stacy Gillis if you would like to purchase a team suit size F30.
